II. CONDITIONS

1. Service Records: Maintain a Service and Maintenance Record Book, detailing all works performed, which must be countersigned by PICC representatives after each visit and submitted to the Chief Security Officer for safekeeping.
2. Emergency Services: Provide emergency maintenance services within four (4) hours of a reported issue during regular days, and by the first hour of the next working day for reports made during holidays.
3. Replacement of Parts: Submit proposals for the replacement of defective parts. The end user may choose to purchase the parts from the Contractor or another source.
4. Coordination: Coordinate all maintenance activities with the PICC Security Office or its representative.
5. Operational Hours: Perform regular maintenance during standard working hours and days, adhering to government regulations. Any necessary overtime to ensure quality service shall be at the Contractor's expense.
6. Miscellaneous Materials: Provide necessary materials such as rags, lubrication oil, contact cleaner, etc., for proper equipment maintenance for the *contractor's use*.
7. Reporting: Submit detailed reports after each inspection, indicating equipment status, conditions, and recommendations for maintenance and repairs.
8. Liability and Indemnity: The Contractor shall not be held liable for damages due to misuse, improper operation, or force majeure events. They shall also indemnify PICC against any suits or liabilities arising from their personnel's actions.

<p>10. Damage Responsibility: The Contractor shall be responsible for any damage or loss of property due to negligence by their personnel.</p> <p>11. Performance Evaluation: Unsatisfactory performance may lead to pre-termination of the contract.</p> <p>12. Subcontracting: No part of the services may be subcontracted or transferred without PICC's prior approval.</p> <p>13. Compliance: Contractor personnel must comply with PICC's rules on security, sanitation, and safety.</p>	
<p style="text-align: center;">STATEMENT OF COMPLIANCE</p> <p><i>Bidders must state here either "Comply" or "Not Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered.</i></p>	

Note:

Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.
